EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in response by applicants on November 25, 2005.

The application has been amended as follows:

Claims 33 and 34 have been cancelled.

The following is an examiner's statement of reasons for allowance: The instant invention claims a colored infrared-reflective roofing granules having a specific size and composition, and a method to obtain such granules. The closest prior art references that relate to the claimed invention are James'636 and Yanagimoto'038. The closest prior art references do not teach or fairly suggest granules of the instant invention having the claimed size and composition .

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to leszek b. kiliman whose telephone number is 571-272-1509. The examiner can normally be reached on M-T, 6.30-5.00.

The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
